

SWASH CL

Robotic Pool Cleaners

maytronics
Exceptional Pool
Experience

DOLPHIN SWASH CL

Recommended for pools up to 12 m (40 ft) in length.
Cleans pool floor, walls and water line.

Maytronics designed the Dolphin to provide you with hours of enjoyment in a clean, pure and hygienic pool.

Using the Dolphin in your pool will:

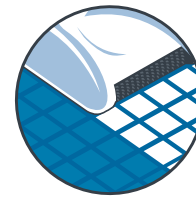

- Save water and energy.
- Help to prevent germination of algae and bacteria.
- Reduce the number of required backwashes.

Dolphin Swash CL features and benefits:

- Scrubs, brushes, vacuums and filters the entire pool.
- Advanced scanning programme, cleans the entire pool in only 2.5 hours.
- Self-contained inner filter bag collects dirt, debris and even fine dust particles.
- Environmentally-friendly cleaning process requires less chemicals.
- Adjustable handle floats for optimal pool coverage.
- Low voltage – low energy consumption.
- Automatic shut off at end of cycle time.
- Obstacle escape.
- Motor protection mechanism in case of over load and out of water.
- Suitable for beach entry pools.
- 36 months warranty.
