ULTRA COMPACT PERFORMANCE NICHE LIGHT

the simple lighting
upgrade for your pool

EM-SERIES FEATURES

FLEXIBLE

- Suits existing 60mm niche style fittings including PAL in fibreglass & concrete pools
- Compact size fits into more places
- Patented CLICK-FIT action for easy fitment & removal without screws

BRIGHT

- Powerful light in compact package
- Clear rim for maximum light spread
- Blue, white or 10 program multicolour ceramic light engines available

SMART

- Self-Diagnostic control system
- Patented PULSEWAVE[®] technology
- Patented DUOSINK[®] heatsink
- Pool cleaner friendly
- 80% lower energy consumption than standard halogen

RELIABLE

- 50,000 hr LED life span
- IPX-8 Water ingress
- Integrated thermal out-out

SIMPLE RETROFIT SYSTEM

Existing wiring can be connected directly to unique sealed external light terminals. Wiring remains detachable for ease of servicing.

Adapter ring screws into front of existing fitting without requiring modification to niche or pool wall.

EM-Series light module with retrofit trim to ensure correct alignment of light to pool wall

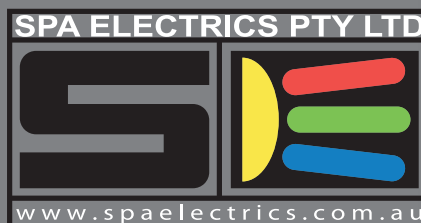

WHY SHOULD YOU UPGRADE TO AN EMRX?

- YES** Conforms to existing transformer
