SPECIFICATIONS

Model HD Deck Mount Grab Rail (Single)

The Pooldeck HD Hand Rail has been designed for swimming pools with a fibreglass shell, vinyl liner or one that has steps. This is a very versatile product. Available with a welded flange with cover plates or standard.

Material: Stainless Steel 38 mmø mirror polished

Standard: The legs are 100mm longer which allows you to set the grab rails in concrete or epoxy.

Flanged: A flange allows you to fix the grab rails to the pool deck using bolts and loxins or similar (3 bolts and 3 loxins per flange).
