Legacy LRZ Gas Heater

The new LRZ Legacy Gas Heaters have a great range of features including:

- Dual thermostat digital control pad, allowing you to set and select the pool and spa temperatures with the touch of a button.
- Copper heat exchanger and Flo-Thru™ baffles provide efficient heat transfer and lower the amount of energy needed to heat your pool.
- Reliable, self cleaning hot surface ignition systems providing trouble free operation season after season.
- Stainless steel burners that are corrosion resistant and longer lasting.
- Available in both natural gas or LPG and suitable for indoor or high wind outdoor applications.
- Get online and check out our heating calculator, it will provide you with all the tools to see what size heater and an estimate of daily running costs based off your requirements. Go to www.zodiac.com.au for more info.
- Also available with bronze headers for commercial applications. Speak to your pool care professional about the best solution for your pool.
