Planning a BBQ with friends at a local park? Pack a Blok in with your utensils just in case you need to clean the BBQ before you use it! **It won't affect the taste of your meat in any way!**

The BBQ Cleaning Blok, a little water, and a cloth to wipe any left over residue after cleaning is **all you need** to rub away built up carbon, fat, charcoal and rust deposits from your grill and BBQ plate. **The Blok moulds to the shape of the grill meaning it takes less time and effort!** Grab a Blok when planning your next BBQ, you will be surprised.

Going Camping? Take a BBQ Cleaning Blok along to clean your camp oven. **Its lightweight, reusable and leaves no harmful residue.**
